# MINUTES

MINUTES OF MEETING  
ELEVATION POINTE  
COMMUNITY DEVELOPMENT DISTRICT

The regular meeting of the Board of Supervisors of the Elevation Pointe Community Development District was held Friday, October 27, 2023 at 9:30 a.m. at the Offices of GMS-NF, LLC, 475 West Town Place, Suite 114, St. Augustine, Florida.

Present and constituting a quorum were:

Owais Khanani	Chairman
Maria Rust <i>by phone</i>	Vice Chairperson
Fernanda Loza	Assistant Secretary
Mike Rich	Assistant Secretary

Also present were:

Jeremy LeBrun	District Manager
Jonathan Johnson <i>by phone</i>	District Counsel
Brian Deitsch <i>by phone</i>	District Engineer

**FIRST ORDER OF BUSINESS**

**Roll Call**

Mr. LeBrun called the meeting to order and called the roll. Three Board members were present in person and one Supervisor participated on the phone constituting a quorum.

**SECOND ORDER OF BUSINESS**

**Public Comment Period**

Mr. LeBrun noted that only Board members and staff were present at the meeting.

**THIRD ORDER OF BUSINESS**

**Approval of Minutes of August 25, 2023  
Board of Supervisors Meeting**

Mr. LeBrun presented the minutes of the August 25, 2023 Board of Supervisors meeting and asked for any comments or corrections to the minutes. The Board had no changes to the minutes.

On MOTION by Mr. Rich, seconded by Ms. Loza, with all in favor, the Minutes of the August 25, 2023 Board of Supervisors Meeting, were approved, as presented.
---------------------------------------------------------------------------------------------------------------------------------------------------------------

**FOURTH ORDER OF BUSINESS**

**Ratification of Series 2022 Requisitions #114 - #118**

Mr. LeBrun stated that the requisitions are on page 12 of the electronic agenda and goes through page 44. These requisitions have already been reviewed and approved by staff so they are just looking for the Board to ratify those.

On MOTION by Mr. Khanani, seconded by Mr. Rich, with all in favor, Requisitions #114 – #118, were ratified.

**FIFTH ORDER OF BUSINESS**

**Consideration of Resolution 2024-01 Designating Authorized Bank Account Signatories**

Mr. LeBrun stated that this resolution is designating the actual office as the signatory for documents. This helps if there are ever transitions between Board members. This makes the office the signature there for the Treasurer, Assistant Treasurer and Secretary to be appointed as signers on the Districts local bank account.

On MOTION by Mr. Rich, seconded by Mr. Khanani, with all in favor, Resolution 2024-01 Designating Authorized Bank Account Signatories, was approved.

**SIXTH ORDER OF BUSINESS**

**Consideration of Resolution 2024-02 Designating Assistant Secretary of the District**

Mr. LeBrun stated this is on page 61 of the agenda. This adds me, Jeremy LeBrun, as an Assistant Secretary and allows me to work on the District’s behalf.

On MOTION by Mr. Rich, seconded by Ms. Khanani, with all in favor, Resolution 2024-02 Designating Jeremy LeBrun as Assistant Secretary of the District, was approved.

**SEVENTH ORDER OF BUSINESS**

**Staff Reports**

**A. Attorney**

Mr. Johnson stated he had no specific report other than to just note that we have discussed off the record amongst Owais, George, and myself that there are some funds remaining in the construction account. Owais, I did have an opportunity to send you an email as I looked back this morning and think the acquisition agreement that we have already entered into in conjunction with the sale of the 2022 bonds is sufficiently broad so to the extent that they are project components

that we can acquire with those remaining monies, I think we can process those under that existing agreement and don't need any new agreement between the District and Elevation Development. We will be ready to process those when you are ready Owais.

**B. Engineer**

**i. Presentation of Annual Report**

Mr. Deitsch stated primarily we are still under construction here. A different contractor is being put on the job to help move it forward. We gave our last formal update of the report in April of this year. We are under construction which is a lot of underground and work on the roadway, townhomes and a lot of acquisition of materials.

**C. District Manager's Report**

**i. Balance Sheet and Income Statement**

Mr. LeBrun stated on page 58 of the agenda are the unaudited financials. Those are through September 30<sup>th</sup> which was the final day of the Fiscal Year. No action required on the Board's part.

**ii. Ratification of Funding Requests #40 – #41**

Mr. LeBrun noted funding requests #40 – #41 start on page 68 of the agenda. We are looking for a motion to approve those funding requests. He noted he would be happy to answer any questions, if not just looking for a motion to approve those.

On MOTION by Mr. Rich, seconded by Ms. Loza, with all in favor, Funding Requests #40 – #41, were ratified.

**iii. Presentation of Arbitrage Rebate Calculation Report for the Series 2022A-1 & 2022A-2 Bonds**

Mr. LeBrun stated on page 81 of the agenda is the Arbitrage Rebate Calculation Report for the Series 2022 A-1 and 2022A-2 bonds. The Board previously engaged AMTEC to conduct this analysis and their methodology basically sees if there is any rebate arbitrage. You essentially can't earn more interest on the bonds than you are paying. They did their calculation and found that no rebate liability exists which is good. He noted the summary is on page 84 and shows you the calculation and there is no rebate liability.

On MOTION by Mr. Khanani, seconded by Mr. Rich, with all in favor, Accepting the Arbitrage Rebate Calculation Report for the Series 2022A-1 & 2022A-2 Bonds, was approved.

**EIGHTH ORDER OF BUSINESS**

**Other Business**

There being no comments, the next item followed.

**NINTH ORDER OF BUSINESS**

**Supervisors Requests**

There being no comments, the next item followed.

**TENTH ORDER OF BUSINESS**

**Next Meeting Date – November 24, 2023**

Mr. LeBrun stated the next meeting is November 24, 2023, at the same time and same location. This is the day after Thanksgiving so it may be one that the Board wants to cancel or reschedule. It is available if needed if there is something that is required and Board action is needed. It is similar with the December meeting; it falls within the Christmas window holiday so the next two meetings for your awareness is going into the holidays. We can touch base closer to that to see if the Board wishes to cancel that November meeting.

**ELEVENTH ORDER OF BUSINESS**

**Adjournment**

Mr. LeBrun asked for a motion to adjourn the meeting.

On MOTION by Mr. Rich, seconded by Mr. Khanani, with all in favor, the meeting was adjourned.

the 1990s, the number of people with a disability in the United States has increased by 25% (U.S. Census Bureau, 1997).

As a result of the increase in the number of people with disabilities, the need for accessible information has become more acute. The Americans with Disabilities Act (ADA) of 1990 (Public Law 101-504) has provided a legal framework for the development of accessible information. The ADA requires that information be accessible to people with disabilities. This means that information must be available in a format that can be accessed by people with disabilities. This includes the development of accessible electronic information.

The purpose of this paper is to describe the development of accessible electronic information.

The paper is organized as follows. Section 2 describes the development of accessible electronic information.

Section 3 describes the development of accessible electronic information. Section 4 describes the development of accessible electronic information.

Section 5 describes the development of accessible electronic information. Section 6 describes the development of accessible electronic information.

Section 7 describes the development of accessible electronic information. Section 8 describes the development of accessible electronic information.

Section 9 describes the development of accessible electronic information. Section 10 describes the development of accessible electronic information.

Section 11 describes the development of accessible electronic information. Section 12 describes the development of accessible electronic information.

Section 13 describes the development of accessible electronic information. Section 14 describes the development of accessible electronic information.

Section 15 describes the development of accessible electronic information. Section 16 describes the development of accessible electronic information.

Section 17 describes the development of accessible electronic information. Section 18 describes the development of accessible electronic information.

the 1990s, the number of people in the UK who are aged 65 and over has increased from 10.5 million to 13.5 million (19.5% of the population).

There are a number of reasons for the increase in the number of people aged 65 and over. The most important is the increase in life expectancy. In 1990, the average life expectancy at birth was 75.5 years for men and 79.5 years for women. By 2000, it had increased to 77.5 years for men and 81.5 years for women.

Another reason for the increase in the number of people aged 65 and over is the increase in the number of people who are living in care homes. In 1990, there were 1.5 million people in care homes. By 2000, there were 2.5 million people in care homes.

The increase in the number of people aged 65 and over has led to a number of changes in the way that the UK government provides social care. In 1990, the government provided social care through a number of different agencies. By 2000, the government had created a new agency, the Department of Health, which is responsible for providing social care.

The Department of Health has a number of responsibilities for providing social care. It is responsible for setting the standards for social care, for funding social care, and for monitoring the quality of social care.

The Department of Health has also introduced a number of reforms to the way that social care is provided. These reforms include the introduction of a new system of funding social care, the introduction of a new system of monitoring the quality of social care, and the introduction of a new system of providing social care.

the 1990s, the number of people in the UK who are aged 65 and over has increased from 10.5 million to 13.5 million (10.5 million in 1990, 11.5 million in 1995, 12.5 million in 2000, 13.5 million in 2005).

There are a number of reasons for this increase. One of the main reasons is that people are living longer. The life expectancy at birth in the UK is now 78 years for men and 82 years for women. This is an increase of 10 years since 1950.

Another reason is that people are having children later in life. This means that there are more people in the 65+ age group than there were in the 1950s.

There are also a number of other factors that contribute to the increase in the number of people aged 65 and over. These include the fact that people are working longer, and the fact that there are more people in the 65+ age group who are not working.

The increase in the number of people aged 65 and over has a number of implications for the UK. One of the main implications is that there is a need for more social care services for older people.

There is also a need for more housing for older people. This is because many older people live in unsuitable housing, and there is a need for more housing that is designed for older people.

There is also a need for more financial support for older people. This is because many older people have low incomes, and there is a need for more financial support to help them to meet their needs.

The increase in the number of people aged 65 and over is a major challenge for the UK. It is a challenge that requires a number of different solutions. These solutions include increasing the number of social care services, increasing the number of housing units designed for older people, and increasing the number of financial support services for older people.

It is important that we take action now to address these challenges. If we do not, the number of people aged 65 and over will continue to increase, and the challenges will become even more acute.

There are a number of things that we can do to address these challenges. One of the things that we can do is to increase the number of social care services. This can be done by increasing the number of social care workers, and by increasing the number of social care services.

Another thing that we can do is to increase the number of housing units designed for older people. This can be done by increasing the number of housing units that are designed for older people, and by increasing the number of housing units that are designed for older people.

It is important that we take action now to address these challenges. If we do not, the number of people aged 65 and over will continue to increase, and the challenges will become even more acute.

There are a number of things that we can do to address these challenges. One of the things that we can do is to increase the number of social care services. This can be done by increasing the number of social care workers, and by increasing the number of social care services.

Another thing that we can do is to increase the number of housing units designed for older people. This can be done by increasing the number of housing units that are designed for older people, and by increasing the number of housing units that are designed for older people.

There are also a number of other things that we can do to address these challenges. These include increasing the number of financial support services for older people, and increasing the number of financial support services for older people.

the 1990s, the number of people with a disability in the United States has increased by 25% (U.S. Census Bureau, 1997).

As a result of the increase in the number of people with a disability, the need for accessible information has become a national priority. The Americans with Disabilities Act (ADA) of 1990 (Public Law 101-504) is the first federal law that prohibits discrimination against people with disabilities in all areas of public life.

Section 504 of the ADA (28 CFR 41.101) states that "no qualified individual with a disability shall be excluded from participation in, denied the benefits of, or otherwise discriminated against by any program, activity, or service operated by a public entity" (U.S. Department of Justice, 1991).

Section 504 also states that "no qualified individual with a disability shall be excluded from participation in, denied the benefits of, or otherwise discriminated against by any program, activity, or service operated by a private entity" (U.S. Department of Justice, 1991).

The ADA also requires that "information and materials developed, purchased, or used by a public entity shall be accessible to people with disabilities" (U.S. Department of Justice, 1991).

the 1990s, the number of people with a disability in the United States has increased by 25% (U.S. Census Bureau, 1997).

As a result of the increase in the number of people with disabilities, the need for accessible information has become more acute. The Americans with Disabilities Act (ADA) of 1990 (Public Law 102-119) has provided a legal framework for the development of accessible information. The ADA requires that information be accessible to people with disabilities. This means that information must be available in a format that can be accessed by people with disabilities. This includes the development of accessible electronic information.

The purpose of this paper is to describe the development of accessible electronic information.

The paper is organized as follows. Section 2 describes the development of accessible electronic information.

Section 3 describes the development of accessible electronic information. Section 4 describes the development of accessible electronic information.

Section 5 describes the development of accessible electronic information. Section 6 describes the development of accessible electronic information.

Section 7 describes the development of accessible electronic information. Section 8 describes the development of accessible electronic information.

Section 9 describes the development of accessible electronic information. Section 10 describes the development of accessible electronic information.

Section 11 describes the development of accessible electronic information. Section 12 describes the development of accessible electronic information.

Section 13 describes the development of accessible electronic information. Section 14 describes the development of accessible electronic information.

Section 15 describes the development of accessible electronic information. Section 16 describes the development of accessible electronic information.

Section 17 describes the development of accessible electronic information. Section 18 describes the development of accessible electronic information.

Section 19 describes the development of accessible electronic information. Section 20 describes the development of accessible electronic information.

Section 21 describes the development of accessible electronic information. Section 22 describes the development of accessible electronic information.

Section 23 describes the development of accessible electronic information. Section 24 describes the development of accessible electronic information.

## RESOLUTION 2024-03

**A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE ELEVATION POINTE COMMUNITY DEVELOPMENT DISTRICT AMENDING RESOLUTION 2023-07, WHICH LEVIED AND IMPOSED SPECIAL ASSESSMENTS FOR FISCAL YEAR 2023/2024; PROVIDING A SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE.**

**WHEREAS**, the Elevation Pointe Community Development District (“**District**”) is a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, for the purpose of providing, operating and maintaining infrastructure improvements, facilities and services to the lands within the District; and

**WHEREAS**, the District is located in St. Johns County, Florida (“**County**”); and

**WHEREAS**, the District previously adopted Resolution 2023-07, which made a determination of benefit and imposed special assessments for Fiscal Year 2023/2024, provided for collection and enforcement, certified an assessment roll, and provided for amendments to the assessment roll; and

**WHEREAS**, the District has subsequently entered into a funding agreement for the purpose of funding its operations and maintenance budget for Fiscal Year 2023/2024; and

**WHEREAS**, the District’s Board of Supervisors desires to amend Resolution 2023-07 to amend the provisions related to the direct collection of the operations and maintenance assessments, as authorized by Section 3B of Resolution 2023-07; and

**WHEREAS**, it is in the best interests of the District to adopt this amendment to Resolution 2023-07 and the assessment roll of the Elevation Pointe Community Development District (“**Assessment Roll**”) as amended by this Resolution and as attached as Exhibit B, and to directly collect only the debt service special assessments portion of the Assessment Roll so identified; and

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE ELEVATION POINTE COMMUNITY DEVELOPMENT DISTRICT:**

**SECTION 1. AFFIRMATION AND CONFLICTS.** Except as amended herein, Resolution 2023-07 is affirmed and all provisions therein remain in full force and effect except as explicitly provided herein.

**SECTION 2.** Section 3 for Resolution 2023-07 is hereby replaced in its entirety by the following:

**SECTION 3. COLLECTION AND ENFORCEMENT; PENALTIES; INTEREST.**

A. **Direct Bill Assessments.** The previously levied debt service special assessments will be collected directly by the District in accordance with Florida

law, as set forth in **Exhibits “A” and “B.”** Debt service special assessments directly collected by the District are due as follows: 1) for Series 2022A-1 Assessments, 64% due no later than April 1, 2024 and 36% due no later than September 1, 2024, and 2) for Series 2022A-2 Assessments, 50% due no later than April 1, 2024 and 50% due no later than September 1, 2024. In the event that an assessment payment is not made in accordance with the schedule stated above, the whole assessment – including any remaining partial, deferred payments for Fiscal Year 2023/2024, shall immediately become due and payable; shall accrue interest, penalties in the amount of one percent (1%) per month, and all costs of collection and enforcement; and shall either be enforced pursuant to a foreclosure action, or, at the District’s sole discretion, collected pursuant to the Uniform Method on a future tax bill, which amount may include penalties, interest, and costs of collection and enforcement. Any prejudgment interest on delinquent assessments shall accrue at the rate of any bonds secured by the assessments, or at the statutory prejudgment interest rate, as applicable. In the event an assessment subject to direct collection by the District shall be delinquent, the District Manager and District Counsel, without further authorization by the Board, may initiate foreclosure proceedings pursuant to Chapter 170, *Florida Statutes*, or other applicable law to collect and enforce the whole assessment, as set forth herein.

- B. **Future Collection Methods.** The decision to collect special assessments by any particular method – e.g., on the tax roll or by direct bill – does not mean that such method will be used to collect special assessments in future years, and the District reserves the right in its sole discretion to select collection methods in any given year, regardless of past practices.

**SECTION 3. SEVERABILITY.** The invalidity or unenforceability of any one or more provisions of this Resolution shall not affect the validity or enforceability of the remaining portions of this Resolution, or any part thereof.

**SECTION 4. EFFECTIVE DATE.** This Resolution shall take effect upon the passage and adoption of this Resolution by the Board.

**PASSED AND ADOPTED** this 26<sup>th</sup> day of January, 2024.

# SECTION VII

**ELEVATION POINTE COMMUNITY DEVELOPMENT DISTRICT  
FISCAL YEAR 2023-2024 BUDGET FUNDING AGREEMENT**

**THIS AGREEMENT** ("Agreement") is made and entered into this 26<sup>th</sup> day of January, 2024 by and between:

**Elevation Pointe Community Development District**, a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, being situated in St. Johns County, Florida with a mailing address of 219 E. Livingston Street, Orlando, Florida 32801 ("**District**"), and

**Elevation Premium Pointe, LLC**, a Florida limited liability company, and the future developer of the District, whose address is 121 South Orange Avenue, Suite 1250, Orlando, Florida 32801 (the "**Developer**"; and together with the District, the "**Parties**").

**RECITALS**

**WHEREAS**, the District was established by an ordinance adopted by the Board of County Commissioners of St. Johns County, Florida, for the purpose of planning, financing, constructing, operating and/or maintaining certain infrastructure; and

**WHEREAS**, the District, pursuant to Chapter 190, *Florida Statutes*, is authorized to levy such taxes, special assessments, fees and other charges as may be necessary in furtherance of the District's activities and services; and

**WHEREAS**, Developer presently owns and/or is the primary developer of the portions of all real property described in **Exhibit A**, attached hereto and incorporated herein by reference ("Property") within the District, which Property will benefit from the timely construction and acquisition of the District's facilities, activities and services and from the continued operations of the District; and

**WHEREAS**, the District adopted its general fund budget for the fiscal year 2023-2024 which began October 1, 2023 and ends September 30, 2024 ("**Budget**"); and

**WHEREAS**, the Budget, which both parties recognize may be amended from time to time in the sole discretion of the District, is attached hereto and incorporated herein by reference as **Exhibit B**; and

**WHEREAS**, the District has the option of levying non-ad valorem assessments on all land, including the Property, that will benefit from the activities, operations and services set forth in the Budget, or utilizing such other revenue sources as may be available to it; and

**WHEREAS**, in lieu of levying assessments on the Property, Developer is willing to provide such funds as are necessary to allow the District to proceed with its operations as described in **Exhibit B**; and

**WHEREAS**, Developer agrees that the District activities, operations and services provide a special and peculiar benefit equal to or in excess of the costs reflected on **Exhibit B** to the Property; and

**WHEREAS**, Developer has agreed to enter into this Agreement in lieu of having the District levy and collect any non-ad valorem assessments as authorized by law against the Property located within the District for the activities, operations and services set forth in **Exhibit B**; and

**WHEREAS**, Developer and the District desire to secure such budget funding through the imposition of a continuing lien against the Property described in **Exhibit A** and otherwise as provided herein.

**Now, THEREFORE**, based upon good and valuable consideration and the mutual covenants of the parties, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

**SECTION 1.** The recitals stated above are true and correct and by this reference are incorporated herein as a material part of this Agreement.

**SECTION 2.** Developer agrees to make available to the District the monies necessary for the operation of the District as called for in the Budget attached hereto as **Exhibit B**, as may be amended from time to time in the District's sole discretion, within fifteen (15) days of written request by the District. Amendments to the District's Budget as shown on **Exhibit B** adopted by the District at a duly noticed meeting shall have the effect of amending this Agreement without further action of the parties. Funds provided hereunder shall be placed in the District's general checking account. In no way shall the foregoing in any way affect the District's ability to levy special assessments upon the property within the District, including any property owned by Developer, in accordance with Florida law, to provide funds for any unfunded expenditures whether such expenditures are the result of an amendment to the District's Budget or otherwise. These payments are made by Developer in lieu of taxes, fees, or assessments which might otherwise be levied or imposed by the District.

**SECTION 3.** The District shall have the right to file a continuing lien upon the Property described in **Exhibit A** for all payments due and owing under the terms of this Agreement and for interest thereon, and for reasonable attorneys' fees, paralegals' fees, expenses and court costs incurred by the District incident to the collection of funds under this Agreement or for enforcement of this lien, and all sums advanced and paid by the District for taxes and payment on account of superior interests, liens and encumbrances in order to preserve and protect the District's lien. The lien shall be effective as of the execution of this Agreement. If Developer fails to pay sums due according to the terms of this Agreement, at the District Manager's direction,

the District may bring an action at law against the record title holder to the Property to pay the amount due under this Agreement, or may foreclose the lien against the Property in any manner authorized by law. The District may partially release any filed lien for portions of the Property subject to a plat if and when Developer has demonstrated, in the District's sole discretion, that such release will not materially impair the ability of the District to enforce the collection of funds hereunder.

**SECTION 4.** This Section provides for alternative methods of collection. In the event Developer fails to make payments due to the District pursuant to this Agreement, and the District first provides Developer with written notice of the delinquency to the address identified in this Agreement and such delinquency is not cured within five (5) business days of the notice, then the District shall have the following remedies:

A. In the alternative or in addition to the collection method set forth in Section 2 above, the District may enforce the collection of funds due under this Agreement by action against Developer in the appropriate judicial forum in and for St. Johns County, Florida. The enforcement of the collection of funds in this manner shall be in the sole discretion of the District Manager on behalf of the District. In the event that either party is required to enforce this Agreement by court proceedings or otherwise, then the parties agree that the substantially prevailing party shall be entitled to recover from the other all costs incurred, including reasonable attorneys' fees and costs for trial, alternative dispute resolution, or appellate proceedings.

B. The District hereby finds that the activities, operations and services set forth in Exhibit B provide a special and peculiar benefit to the Property, which benefit is initially allocated on an equal developable acreage basis. Developer agrees that the activities, operations and services set forth in Exhibit B provide a special and peculiar benefit to the Property equal to or in excess of the costs set forth in Exhibit B, on an equal developable acreage basis. Therefore, in the alternative, or in addition to the other methods of collection set forth in this Agreement, the District, in its sole discretion, may choose to certify amounts due hereunder as a non-ad valorem assessment on all or any part of the Property for collection, either through the Uniform Method of Collection set forth in Chapter 197 or under any method of direct bill and collection authorized by Florida law. Such assessment, if imposed, may be certified on the next available tax roll of the St. Johns County property appraiser. Developer hereby waives and/or relinquishes any rights it may have to challenge, object to or otherwise fail to pay such assessments if imposed, as well as the means of collection thereof.

**SECTION 5.** This instrument shall constitute the final and complete expression of the agreement between the parties relating to the subject matter of this Agreement. Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by both of the parties hereto.

**SECTION 6.** The execution of this Agreement has been duly authorized by the appropriate body or official of all parties hereto, each party has complied with all the requirements of law, and each party has full power and authority to comply with the terms and provisions of this instrument.

**SECTION 7.** This Agreement may be assigned, in whole or in part, by either party only upon the written consent of the other, which consent shall not be unreasonably withheld.

**SECTION 8.** A default by either party under this Agreement shall entitle the other to all remedies available at law or in equity, which shall include, but not be limited to, the right of damages, injunctive relief and specific performance and specifically including the ability of the District to enforce any and all payment obligations under this Agreement in the manner described herein in Sections 3 and 4 above.

**SECTION 9.** This Agreement is solely for the benefit of the formal parties herein and no right or cause of action shall accrue upon or by reason hereof, to or for the benefit of any third party not a formal party hereto. Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person or corporation other than the parties hereto any right, remedy or claim under or by reason of this Agreement or any provisions or conditions hereof; and all of the provisions, representations, covenants and conditions herein contained shall inure to the sole benefit of and shall be binding upon the parties hereto and their respective representatives, successors and assigns. In the event Developer sells or otherwise disposes of its business or of all or substantially all of its assets relating to improvements, work product, or lands within the District, Developer shall continue to be bound by the terms of this Agreement and additionally shall expressly require that the purchaser agrees to be bound by the terms of this Agreement. In the event of such sale or disposition, Developer may place into escrow an amount equal to the then unfunded portion of the applicable adopted Budget to fund any budgeted expenses that may arise during the remainder of the applicable fiscal year. Upon confirmation of the deposit of said funds into escrow, and evidence of an assignment to, and assumption by the purchaser, of this Agreement, Developer's obligation under this Agreement shall be deemed fulfilled and this Agreement terminated. Developer shall give 90 days prior written notice to the District under this Agreement of any such sale or disposition.

**SECTION 10.** This Agreement and the provisions contained herein shall be construed, interpreted and controlled according to the laws of the State of Florida. The parties agree and consent to, for the purposes of venue, the exclusive jurisdiction of the courts of St. Johns County, Florida.

**SECTION 11.** This Agreement has been negotiated fully between the parties as an arm's length transaction. The parties participated fully in the preparation of this Agreement with the assistance of their respective counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, the parties are each deemed to have drafted, chosen and selected the language, and the doubtful language will not be interpreted or construed against any party.

**SECTION 12.** Developer understands and agrees that all documents of any kind provided to the District in connection with this Agreement may be public records and treated as such in accordance with Florida law.

**SECTION 13.** This Agreement may be executed in any number of counterparts, each of which when executed and delivered shall be an original; however, all such counterparts together shall constitute, but one and the same instrument. Signature and acknowledgment pages, if any, may be detached from the counterparts and attached to a single copy of this document to physically form one document.

**SECTION 14.** This Agreement shall be effective after execution by both parties hereto. The enforcement provisions of this Agreement shall survive its termination, until all payments due under this Agreement are paid in full.

IN WITNESS WHEREOF, the parties execute this Agreement the day and year first written above.

the 1990s, the number of people with a disability in the United States has increased by 25% (U.S. Census Bureau, 1997).

As a result of the increase in the number of people with a disability, the need for accessible information has become more acute. The National Center for Accessible Information (NCAI) has estimated that 10% of the population has a disability that may affect their ability to access information (NCAI, 1997). The NCAI has also estimated that 25% of the population has a disability that may affect their ability to use information technology (NCAI, 1997). The NCAI has also estimated that 50% of the population has a disability that may affect their ability to use information technology (NCAI, 1997).

The NCAI has also estimated that 75% of the population has a disability that may affect their ability to use information technology (NCAI, 1997).

The NCAI has also estimated that 90% of the population has a disability that may affect their ability to use information technology (NCAI, 1997).

The NCAI has also estimated that 95% of the population has a disability that may affect their ability to use information technology (NCAI, 1997).

The NCAI has also estimated that 99% of the population has a disability that may affect their ability to use information technology (NCAI, 1997).

The NCAI has also estimated that 100% of the population has a disability that may affect their ability to use information technology (NCAI, 1997).

The NCAI has also estimated that 100% of the population has a disability that may affect their ability to use information technology (NCAI, 1997).
